JULY 2022

4-H YOUTH DEVELOPMENT NEWSLETTER

New Extension Assistants for 4-H Youth Development

Hi! I'm **Ginny Butsch**, a new Extension Assistant in 4-H Youth Development. I'm a UK alum and have lived in Campbell County for most of my life. My background is primarily in theatre/ fine arts, but I spend most of my free time hiking, gardening, cooking and creating with my family. I am delighted to have found a position that allows me

to share many of my interests with a community that I love. Please say hello when you see me in the office or drop me an email: ginny.butsch@uky.edu

Hello! My name is **Aubrey New** and I am one of the new Extension Assistant in 4-H Youth Development here at the Campbell County Extension Office. I have been here for a few weeks now, and I love it! I am from Gallatin County and worked at their Extension Office as an office assistant for about 5 years. I have some background in extension,

nursing, computer sciences, and engineering. I was a part of 4-H and livestock as a child, and I am looking forward to working with the kiddos in Campbell County. My email is: anew@uky.edu

Congratulations to our 2022 Graduates and Scholarship Winners!

KY State Fair Selection Day-July 19, 2022

Tuesday, July 19 is the day for bringing your completed 4-H projects to the Cooperative Extension Service Office to be considered for entry at state fair. Be prepared to fill out forms on all entries. We need the following information on all items: your name, birth date, age, address and social security number. Also, we need the division and class number that corresponds with the project. **State Fair Classes are included in this booklet available at the Extension Office.**

Also, if you are entering **4-H Livestock**, you can enter online, the entry deadline is July 10th.

Please make sure you allow enough time to get this done.

4-H Saddle Up 2022 Horse Camp

Kids and horses of all kinds and sizes attended the Campbell County 4-H Saddle Up Horse Camp June 5-10. We celebrated the 32nd Anniversary of the Campbell County 4-H Horse Camp. We had a great week with over 62 youth and 88 adult volunteers participating at this annual event held at the Alexandria Fairgrounds.

The camp offers in-depth instruction on overall horse care and safety. The purpose of horse camp is for the horses and kids to learn together and to work as a team. Classes were offered for Western Riding, Hunt Seat, Contest, Gaited and Miniature Horses.

Total family involvement is what makes this camp a success as well as the support from parents, volunteers, businesses and the Alexandria Fairboard.

Plan a trip to the Kentucky State Fair...

The Kentucky State Fair runs August 18- 28, 2022 at the Kentucky Fair and Exposition Center in Louisville, Kentucky.

Gates open at 7 a.m. each day. The Kentucky State Fair is a tradition for generations of families across the Commonwealth and beyond.

The State Fair offers lots of educational and entertaining exhibits, fun filled attractions, top of the line concerts, a World's Championship Horse Show, rides and my favorite- the fair food. There are also plenty of other activities all designed to create memories for friends and families. All of the concerts are free with paid gate admission.

The Kentucky State Fair hosts 4-H projects from across the state in "Cloverville." Cloverville is the village-like area where all non-livestock 4-H Exhibits are displayed during the fair. Cloverville consists of 18 divisions where 4-H'ers can showcase their projects.

In order to exhibit a 4-H project, 4-H'ers must first qualify on the county level. Kentucky 4-H believes that all youth

should have opportunities for positive youth development in four guiding concepts: mastery, belonging, independence and generosity. The Kentucky State Fair 4-H events demonstrate a 4-H'ers level of mastery in project work through completion of displayed items.

Cloverville is located in the South Wing of the Kentucky Fair and Exposition Center and will be a part of the fair's AgLAND Exhibit. AgLAND will include more than an acre of agriculture exhibits which will highlight Kentucky's farm and field heritage, including the future of farming and agribusiness through 4-H and FFA exhibits. AgLAND is brought to you by Kentucky's Farm Families and the Kentucky Department of Agriculture.

So why not plan a trip to this year's Kentucky State Fair? The Kentucky Fair and Exposition Center is one of the 10 largest facilities of its kind in the US. It features 1.3 million square feet of contiguous exhibit space and includes about 30 acres that are under roof and air conditioned. You can visit the website to see the daily schedule and maps. There is also an App and it has Twitter, Facebook and Instagram accounts for the most recent updates.

Prepare for Fair

4-H Colorful Crafts Class painted beautiful sun paintings today.
