4-H YOUTH DEVELOPMENT NEWSLETTER

State 4-H Communications Day

Congratulations to all who participated in the State 4-H Communications Day this month! Participants had to first qualify at the District Level to participate at the State Level. **Natalie Kirst** and **Lily Heiss** represented Campbell County at this year's State 4-H Communications Day! Natalie gave a demonstration on how to make energy bites and Lily gave a speech on 'Why Sports are the Best'. They both received a blue ribbon-congratulations!

(pass does not include rides)

Alexandria Fair 4-H Drink Booth

Contact Sherri (sfarley@uky.edu) at the 4-H office to volunteer to sell pop & water during the fair. This is a fundraiser for the 4-H Council.

Money raised helps 4-H'ers throughout the year!

Date(s): Wednesday, August 31st thru Monday, September 5th.

Time(s): Vary depending on the day (2-hour shifts).

Wear a 4-H Shirt! Let us know your size if you need a shirt!

If a 4-H youth (age 9-17) wants to volunteer, a parent or adult volunteer needs to be with them in the booth at all times.

4-H Fishing Day Camp

We had a great day at the Campbell County Extension Office! Kiddos at our 4-H Fishing Camp worked on tying knots, baiting hooks, and catching fish! Everyone had so much fun, I can't wait to fish with everyone again!

River Sweep 2022

Saturday, August 13th

Help Clean the Ohio River!

10:00 am - Noon
Pendery Park
Route 8 near Melbourne, Kentucky

Site Sponsored by Campbell County Solid Waste Department and Campbell County Extension Service

Registration Required!
Call the Campbell County Extension Service at 859-572-2600 or online at campbell.ca.uky.edu

This event is limited to 50 individuals.

The History of River Sweep
River Sweep, sponsored by the Ohio River Valley Water Sanitation Commission (ORSANCO) and Foundation for Ohio River Education (FORE), is an annual river bank cleanup for the Ohio River and its tributaries. The volunteers for the Ohio River Sweep have made tremendous progress in cleaning the Ohio River. Yet, litter continues to be a global problem. Volunteers make a positive impact on the entire Ohio River Basin by participating in the Ohio River Sweep.

Plan a trip to the Kentucky State Fair...

The Kentucky State Fair runs August 18- 28, 2022 at the Kentucky Fair and Exposition Center in Louisville, Kentucky.

Gates open at 7 a.m. each day. The Kentucky State Fair is a tradition for generations of families across the Commonwealth and beyond.

The State Fair offers lots of educational and entertaining exhibits, fun filled attractions, top of the line concerts, a World's Championship Horse Show, rides and my favorite- the fair food. There are also plenty of other activities all designed to create memories for friends and families. All of the concerts are free with paid gate admission.

The Kentucky State Fair hosts 4-H projects from across the state in "Cloverville." Cloverville is the village-like area where all non-livestock 4-H Exhibits are displayed during the fair. Cloverville consists of 18 divisions where 4-H'ers can showcase their projects.

In order to exhibit a 4-H project, 4-H'ers must first qualify on the county level. Kentucky 4-H believes that all youth

should have opportunities for positive youth development in four guiding concepts: mastery, belonging, independence and generosity. The Kentucky State Fair 4-H events demonstrate a 4-H'ers level of mastery in project work through completion of displayed items.

Cloverville is located in the South Wing of the Kentucky Fair and Exposition Center and will be a part of the fair's AgLAND Exhibit. AgLAND will include more than an acre of agriculture exhibits which will highlight Kentucky's farm and field heritage, including the future of farming and agribusiness through 4-H and FFA exhibits. AgLAND is brought to you by Kentucky's Farm Families and the Kentucky Department of Agriculture.

So why not plan a trip to this year's Kentucky State Fair? The Kentucky Fair and Exposition Center is one of the 10 largest facilities of its kind in the US. It features 1.3 million square feet of contiguous exhibit space and includes about 30 acres that are under roof and air conditioned. You can visit the website to see the daily schedule and maps. There is also an App and it has Twitter, Facebook and Instagram accounts for the most recent updates.

Make a Mask, Create a Character
